ST. PAUL'S DEGREE & PG COLLEGE

(Affiliated to Osmania University)

Street No.8, Himayathnagar, Hyderabad.

From the Desk of the Principal

St. Paul's Degree College is highly rated among its peers and is one of the most respectable institutions in the city of Hyderabad. The courses offered here have been awarded "excellent ratings" for the standard of teaching. Our college consistently achieves extra ordinary percentage every year.

We emphasize on the educational enhancement of an individual student as per their capacity to absorb, understand and implement. We give students freedom to choose their course modules as per their inclinations, strengths and career goals. In fact, our teaching is more activity based. The students who have graduated from this institution have successfully settled professionally in different states of India and other countries.

Our campus reflects our seriousness towards imparting quality education in a serene, safe and secure environment. We have established a Learning Resource Center for enhancement of academic abilities. Sport is an integral part of college's vision with facilities in place. St. Paul's Degree College campus is located centrally and can be reached easily from all parts of the city.

The presence of students from different parts of India and abroad is a testament of our quality education and excellent facilities. Our teaching faculty is drawn from different parts of India with an emphasis on excellence, experience and command on subject. This mix of students and teachers from different regions has enriched our college with their ideas, culture and suggestions. Students and teachers are considered valuable members of the college and an integral part of our progress.

I, personally, congratulate the students who have just passed out from junior colleges and invite them to seek admission in our college. We assure that you will find the college well-equipped with latest teaching aids like LCD projectors, Wi-Fi connectivity, online lectures, new teaching techniques and up-to-date information. I also welcome each and every student who has shown interest in our college and promise qualitatively superior education.

In almost two decades since it was established, many students have gone and excelled in the professional fields of their choice, both in India and abroad.

Some have enrolled themselves for post graduation courses. Few have even excelled in sports on the international platform and thus brought laurels to the college. Every year our results are better than the previous year.

Last 24 batches from the B Com stream have consistently given excellent results and some are in top ranks of Osmania University.

Proficiency in English

Considering the important role good communication skills play in the professional world, the college insists on its students possessing good command on spoken as well as written English. Whoever is found to be weak in this regard at the time of admission is made to attend compulsory

coaching classes conducted by the English department and consequently raise their proficiency level to desired minimum, for this 50 multimedia system with Head phone are kept for the use of the students.

Method of Instruction

1. The teaching methodology revolves around helping the slow learners to raise their standard and allow the sharp students to explore newer fields and thus not allowing them to feel saturated.

2. College strictly adheres to the Academic Calendar issued by Osmania University and syllabus for each subject is implemented and imparted as per the OU guidelines.

3. College regularly reviews the comprehension of subjects by the students through weekly, fortnightly and monthly tests including terminal and pre-final examinations. The parents are regularly updated with regard to the progress made by their children.

4. To give an indepth concept and confident in subject every Saturday by student presentation & research will be organised.

Only 10% attendance is condoned on medical grounds but only after a medical officer, not less than the rank of a Civil Surgeon, has issued the Medical Certificate and a Condonation Fee has been paid.

Evaluation Scheme

Students are regularly evaluated throughout the academic year by each subject faculty. It is mandatory for all students to attend 80% of total classes and are supposed to write all the tests or assignments which are conducted from time to time.

To further improve the quality of the education, the management has authorized Academic Counseling Board (ACB) to help the faculty as well as the students in the teacher and the taught problem. This enables the faculty to chose an effective method which is in sync with the changing needs of academic world and also takes into cognisance the advancement in research and knowledge.

Parents are allowed to discuss the academic matters, for the benefit of students, on all working days. An effective partnership is in place where parents and teachers are equally responsible for the students' behavior and attentiveness in the class.

The students are given qualitative expert guidance for preparing themselves for different entrance examinations as per their career goals.

Infrastructure

Every class room is equipped with projector and computer system, The faculty presents all the topics with the help of power point presentations, related videos and audios. The faculty prepares eye catching information and it penetrate in to the minds of the pupils.
